CRM Software Provider Accent Gold Solutions Launches New Website

Friday, July 24, 2009

Culver City, California - Accent Gold Solutions, a leading CRM consultant in California, today announced the launch of a new website built by Hall Web Services, a Sage Preferred Vendor. The new site keeps the look and feel of Accent Gold's previous website, but adds search engine optimization elements and enhances the user experience with resources such as an invitation to set up a confidential CRM consultation, information on how to synchronize mobile devices with ACT! by Sage, and information on the upcoming new version of ACT!, ACT! 2010.

"It was great to work with Accent Gold to expand the messaging and search targeting of their site," said Andre McKay, Email Marketing Manager at Hall and Project Manager on the site. "The new site preserves their high-tech look and feel while adding elements to help it perform better in search engines and attract more customers."

Visitors to Accent Gold's site can research the leading CRM products including ACT!, ACT! by Sage Premium and Sage SalesLogix, as well as 3rd-party add-on products including KnowledgeSync and Swiftpage Email.

With more resources than ever and easier methods of learning about leading CRM software, Accent Gold looks forward to providing useful resources to buyers of CRM software in the California area. Learn more at <http://www.accentgold.com>.
