

Hall Announces New Jr. Developer

March 4, 2014

Portland, Maine – [Hall Internet Marketing](#), Maine's largest 100% interactive marketing firm, is pleased to announce the addition of the newest member of its development team – Junior Web Developer, Gary Thayer.

Before coming to Hall, Gary worked as a webmaster and email marketer at a national nonprofit. His skills in web development and responsive frameworks will be a great asset to the Hall team.

"We are very happy to welcome Gary to the Hall team," says Jonas Levasseur, VP of Operations. "Upon meeting him, we quickly realized he has a passion for this industry and he conveyed a great understanding of what we're trying to accomplish at Hall. He makes a great addition to our production team and will help us create the best websites possible for our clients."

About Hall Internet Marketing

[Hall Internet Marketing](#) is a 15 year old agency that combines technology and expert services to drive cost-effective internet marketing strategies to improve website performance. Hall staff works closely with clients to understand their business objectives, their target audience and the competitive environment to create a comprehensive, tailored online marketing program that drives success. Hall helps some of the largest employers in Maine, well known Fortune 100 companies and innovative technology businesses to drive more sales online.
