Hall Sees Continued Growth in 2014

January 6, 2014

Portland, Maine - <u>Hall Internet Marketing</u>, a technology enabled Internet marketing firm, continues to experience high growth going into 2014 due to increased demand for its premium digital marketing services for large online retailers.

"We have again experienced another year of double digit growth and with recent restructuring bearing fruit, profits for 2013 are up over 200%," said Tom Hall, President of Hall Internet Marketing. "As we enter our 15th year in business, things look brighter than ever. We expect to see continued growth in our marketing services for the Internet Retailer Top 500, high-end online retailers and B2B technology providers."

As the largest 100% interactive marketing agency in Maine, Hall prides itself on providing the best in online marketing and websites, with a team of experts who are passionate about what they do. Hall competes nationally with agencies in Boston, New York and California.

About Hall Internet Marketing

Hall Internet Marketing is a 15 year old agency that combines technology and expert services to drive cost-effective Internet Marketing strategies to improve website performance. Hall staff works closely with clients to understand their business objectives, their target audience and the competitive environment to create a comprehensive, tailored online marketing program that drives success. Hall helps some of the largest employers in Maine, well known Fortune 100 companies and innovative technology businesses to drive more sales online.
