

Hall Welcomes CMS Developer, RC Lations

June 22, 2011

Portland, Maine – Hall Internet Marketing– a Maine technology enabled internet marketing firm, is pleased to announce the addition of their newest member to their technology team– CMS Developer, RC Lations.

With a diverse background in music, photography, marketing, and social media - RC has developed a passion for building websites to meet the needs of clients and fulfill their marketing potential. With his skills in CMS development, support and integration, RC will be a great addition to Hall's Web Development team.

"We are excited to add a CMS Developer who possess the experience and technical knowledge that RC has." says Jonas Levasseur, Vice President of Operations at Hall Internet Marketing. "We are happy to welcome him to the team."

The 2009 graduate from the University of Massachusetts Lowell, earned his degree in Music Business. After graduation he managed social media at one of Boston's largest nonprofits. After a few too many subway rides, he ditched the charlie card and moved to Portland for good to join the Hall team.

About Hall Internet Marketing

Hall Internet Marketing is a 12 year old agency that combines technology and expert services to drive cost-effective Internet Marketing strategies to improve website performance. Hall staff works closely with clients to understand their business objectives, their target audience and the competitive environment to create a comprehensive, tailored online marketing program that drives success. Hall helps some of the largest employers in Maine, well known Fortune 100 companies and innovative technology businesses to drive more sales online.
